Subject: Automotive Detailer Application – West Monroe Location | Chase Kinslow

Dear Ms. Johnson,

I hope this message finds you well. My name is Chase Kinslow and I am reaching out regarding the Automotive Detailer position at the West Monroe, LA location on Cypress Street.

As a fellow Louisiana professional, I have a great deal of respect for the work you and your talent acquisition team do at Enterprise Mobility. I understand that under your leadership, Enterprise has earned the Candidate Experience Award multiple times, which speaks volumes about the kind of people-first culture you help build. That commitment to treating candidates with care and respect is exactly why I am drawn to this organization. It is clear that the values you champion in recruiting mirror Enterprise Mobility's founding principles of integrity, honest work, and team spirit.

I have attached my resume and cover letter for your review. I bring hands-on experience in operations, facility maintenance, and sanitation from my current role at Bayou DeSiard Country Club, along with several years in operations and compliance work. I meet all of the posted qualifications and am available to start immediately on the posted schedule.

Your background in connecting people with the right opportunities, and your dedication to mentoring careers, makes me confident that you understand the value of a candidate who is eager to grow from within. Starting as an Automotive Detailer and building a career at Enterprise Mobility is exactly the kind of path I am looking for, and I would be grateful for the chance to demonstrate my work ethic and commitment to your West Monroe team.

I would love the opportunity to speak with you at your convenience. Thank you for your time and consideration.

Best regards,

Chase Kinslow
